

FIXED - Automatic BSA Membership Verification Bug

OA LodgeMaster Users,

The Order of the Arrow LodgeMaster along with the BSA have fixed the bug discovered in the Automatic BSA Verification released in version 4.2.0. Overnight the LodgeMaster team published a new version of the online client that fixes the bug. For more information on how the new BSA Verification works refer to the Lodge Client 4.2.0 [release notes](#).

Thank you for your patience while we worked to get this issue fixed. As always, if you have questions or need assistance please submit a ticket [online](#) or send an email to: support@lodgemaster.aa-bsa.org.

Thank you,

The LodgeMaster Team
