

# About The Project

## What is OA LodgeMaster?

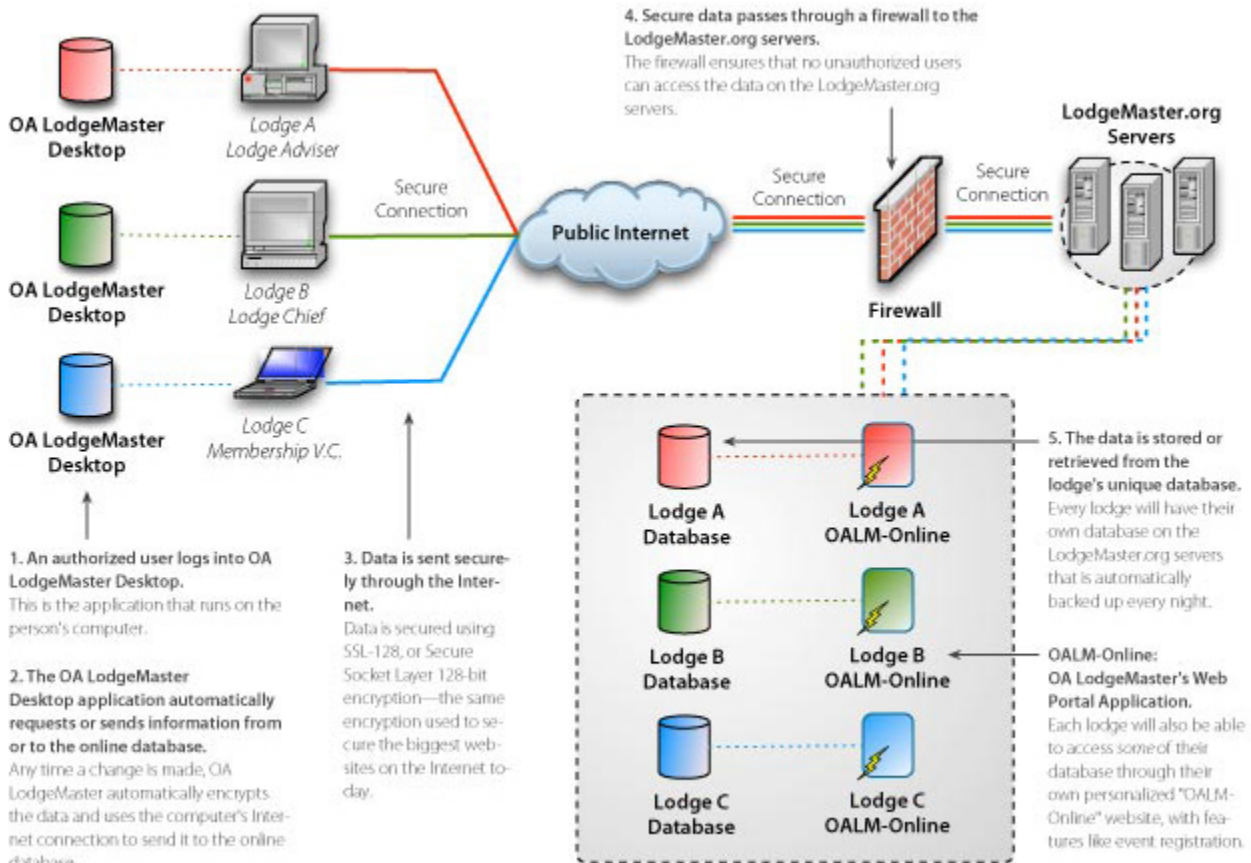

The Order of the Arrow is a system to help lodges track and manage membership in an easy, yet powerful way. Each lodge is given a database on the Order of the Arrow's LodgeMaster servers.

## OA LodgeMaster Features

- Membership data information storage and searching.
  - Dues payment history and tracking.
  - Tracking of awards, event attendance, training, leadership positions, ceremonies teams, hobbies, skills, and more.
  - Import and export to different file formats.
  - BSA member verification.
  - Built-in and custom reports.
  - Historical data perspective.
  - Journey To Excellence system.
  - Mailing label printing.
  - Multi-user support with permissions.
  - Candidate tracking.
  - Membership card printing.
  - Setup wizard.
  - Mass e-mailer and other communication tools.
  - Secure data storage/transfer.
- Nightly backup of all data.

## How It Works

The following image explains how OA LodgeMaster data is shared between the online and offline versions.
