# OA LodgeMaster Lodge Client 3.3.4

**Released February 11, 2015**

Dear OA LodgeMaster Users,

The OA LodgeMaster team is very happy to announce the release of Version 3.3.4! We've fixed 14 bugs, made 6 improvements, and added 1 new feature - the 2015 charter renewal and JTE forms.

Highlights of the release:
- We've added the forms and all functionality for the 2015 charter renewal and JTE petition including lookups from previous petitions and new data lookups from your database. Use the wizard throughout the year to track and update your progress.
- We've added a new configuration option for your unit election year for lodge's where this varies from your dues year. See http://documentation.lodgemaster.oa-bsa.org/display/OALMLC/Configuration for more information on this new option.

Go to https://lodgemaster.oa-bsa.org/ to access the online system, and if needed, download the offline version. As always, if you have questions or problems, please submit a request online (http://documentation.lodgemaster.oa-bsa.org).

Yours in Brotherhood,

The OA LodgeMaster Team
