OA LodgeMaster Lodge Client 3.0.7

Released May 10, 2013

Dear OA LodgeMaster Users,

The OA LodgeMaster team is very happy to announce the release of Version 3.0.7! This is the second release of the week, but we've fixed a few additional bugs related to events and one additional membership card bug, and we wanted users to have the new version before events this weekend.

Go to https://lodgemaster.oa-bsa.org/ to access the new online system, and if needed, download the new offline version. As always, if you have questions or problems, please submit a request online (http://lodgemaster.oa-bsa.org/support).

Yours in Brotherhood,

The OA LodgeMaster Team
Mike (C.), Mike (G.), Mike (P.), Rob (A.), Rob (R.), and Scott (J.)
