

OA LodgeMaster Lodge Client 3.3.11

Released November 11, 2017

Dear OA LodgeMaster Users,

The OA LodgeMaster team is very happy to announce the release of Version 3.3.11! We've fixed an issue that appeared yesterday with the offline client being unable to sync with the server.

Go to <https://lodgemaster.oa-bsa.org/> to access the online system, and if needed, download the offline version. As always, if you have questions or problems, please submit a request online (<http://docs.oa-bsa.org/display/OALMLC>).

Yours in Brotherhood,

The OA LodgeMaster Team

What If I Have Questions?

Please submit a ticket on the help desk if you have any questions - this will allow each of the team members to respond as they have time - instead of sending all questions to one member of the development team. You can submit a ticket online (<http://docs.oa-bsa.org/display/OALMLC>) or via email at support@lodgemaster.oa-bsa.org.
